RE: Implementation of new Gwaii Haanas Fishing Closures on May 1st 2019

To all commercial harvesters,

This letter is to notify you that, effective May 1st 2019, all commercial and recreational fishing activities will be prohibited within the marine strict protection zones identified in the Gwaii Haanas Gina 'Waadluxan KilGuhlGa Land-Sea-People Management Plan. Please find the detailed geographic descriptions of the strict protection zones attached.

In November 2018, following an extensive consultation process that included your sector, this new management plan for Gwaii Haanas was approved by the Government of Canada and the Council of the Haida Nation (available at: www.pc.gc.ca/en/pn-np/bc/gwaiihaanas/info/consultations/gestion-management-2018 and www.haidanation.ca/?p=8450). The plan includes a shared vision, guiding principles based on Haida cultural values, goals and objectives, and zoning for the land and the sea.

During the course of plan development, the Archipelago Management Board (AMB) worked with an advisory committee, Haida and local communities, and stakeholder groups including the fishing, tourism, conservation and shipping sectors. The AMB valued the constructive input provided by the fishing sector that helped to shape and strengthen the objectives, targets and zoning in the plan.

The new strict protection zones will support cultural and ecological objectives as described in the management plan. The zoning in the plan also replaces the two Rockfish Conservation Areas in Gwaii Haanas. Fishing closures will be communicated by DFO Fisheries Notices and Council of the Haida Nation Fisheries Management Directions in the coming weeks.

We appreciate your commitment to Gwaii Haanas and look forward to working with you to ensure the continuity of Haida culture and the protection of the natural heritage of Gwaii Haanas for future generations. If you have any questions, please contact the AMB at: amb@pc.gc.ca.

Sincerely,

Colin Masson, AMB member
Government of Canada

Cindy Boyko, AMB co-chair
